The dimensions in the Unit shown in these floor plans have been calculated from the exterior boundaries of the exterior walls to the centerline of interior partition walls, including common elements such as structural walls and other interior structural components of the building and are greater than the dimensions that would be determined by using the description and definition of the "Unit" set forth in the Prospectus and the Declaration. All dimensions are approximate and may differ with actual measurement. All floor plans are subject to change. Consult the Prospectus for information regarding what is offered with the Unit and the calculation of the Unit square footage and dimensions.
